2024 BAR OFFERINGS

At My Catering Group we've been creating delicious experiences since 2012, providing exceptional catering services for weddings, corporate, private, and political events. Starting from the spark of an idea, right through until the big day, our experienced team of hospitality professionals is here to help you leave your stress at the door and create memories you won't soon forget.

For bar services, we charge a flat fee of \$10 per guest. For your convenience, this provides you with everything you need for your bar, including staffing, glassware, garnishes, ice and serviceware. Pricing is based on a minimum guest count of 50 guests. Additional staffing and equipment charges may apply for smaller functions or specialty venues such as backyard functions.
