THE ART OF CATERING

Ottawa's Catering Experts

Our name blends the origins of our Dutch and Canadian founders. They launched Tulips & Maple in 1991 and worked day and night to realize their vision of showing Ottawa what catering really can be. Since our modest beginnings in Manotick over two decades ago, the values instilled by the original 'Tulips' & 'Maple' of honesty and passion, accomplishment and learning, guide our team in our quest to deliver delicious excellence and excitement for every event. Fast-forward to today-still the best off-premise catering you can get in Ottawa. We expanded into the Kingston area with Tulips and Maple the Art of Catering in 2016.

At Tulips & Maple, our mission is to deliver an extraordinary catering experience that surpasses all expectations. We offer unique Catertaining® elements, from the captivating action stations to innovative canape services, designed to engage your guests with intrigue, fun, and exceptional taste. Our dedication to delivering top-tier food, imaginative menus, and superior service along with our unwavering commitment to excellence drives every facet of our operations.

Our team, motivated by expertise, dedication, creativity and enthusiasm, strives to elevate traditional standards. Our competitive edge lies in our ability to tailor our catering services to align seamlessly with any theme, vision or objective.
